

National Youth
Coalition to Combat
COVID-19

OBJECTIVES

1

MOBILISATION: Creating a one stop junction for young volunteers to undertake youth-led action

2

KNOWLEDGE MANAGEMENT: Consolidating CSO and individual driven resource repositories in the form of a virtual library with a comprehensive index carrying state-specific information

3

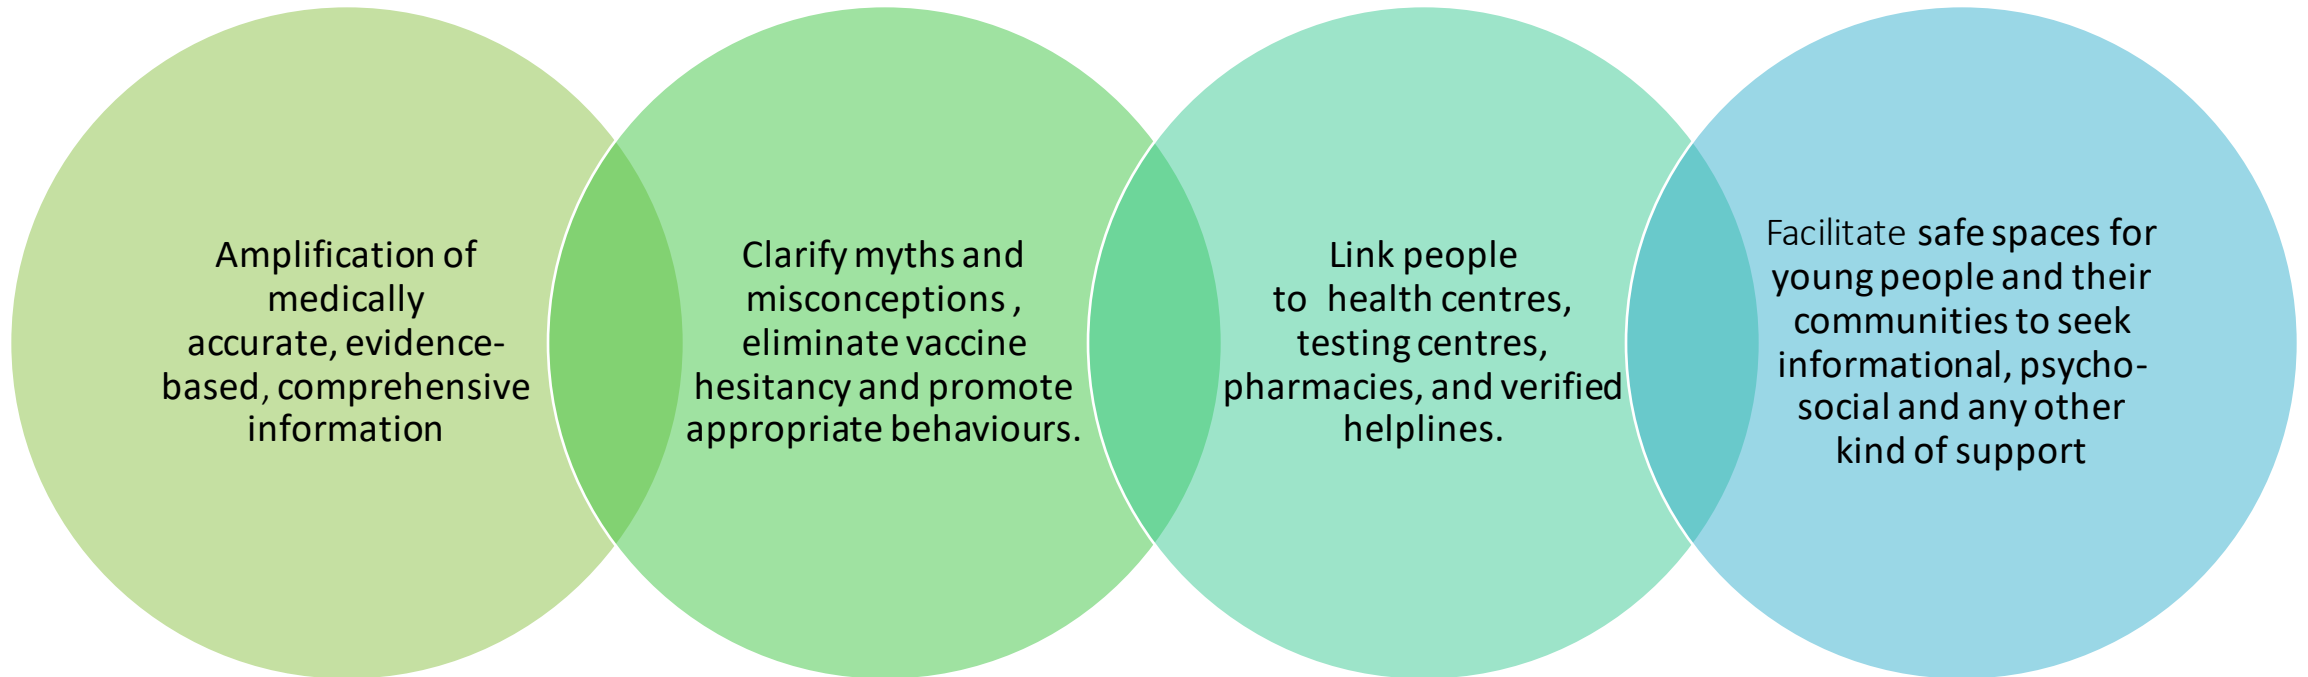

CAPACITY BUILDING: Capacitating and enabling meaningful, informed and organised youth-led action towards (COVID ACADEMY)

4

DISSEMINATION AND LINKAGES: Ensuring that citizens are equipped with comprehensive and accurate information on COVID19 and are connected to the essential resources, services and commodities.

Role of youth

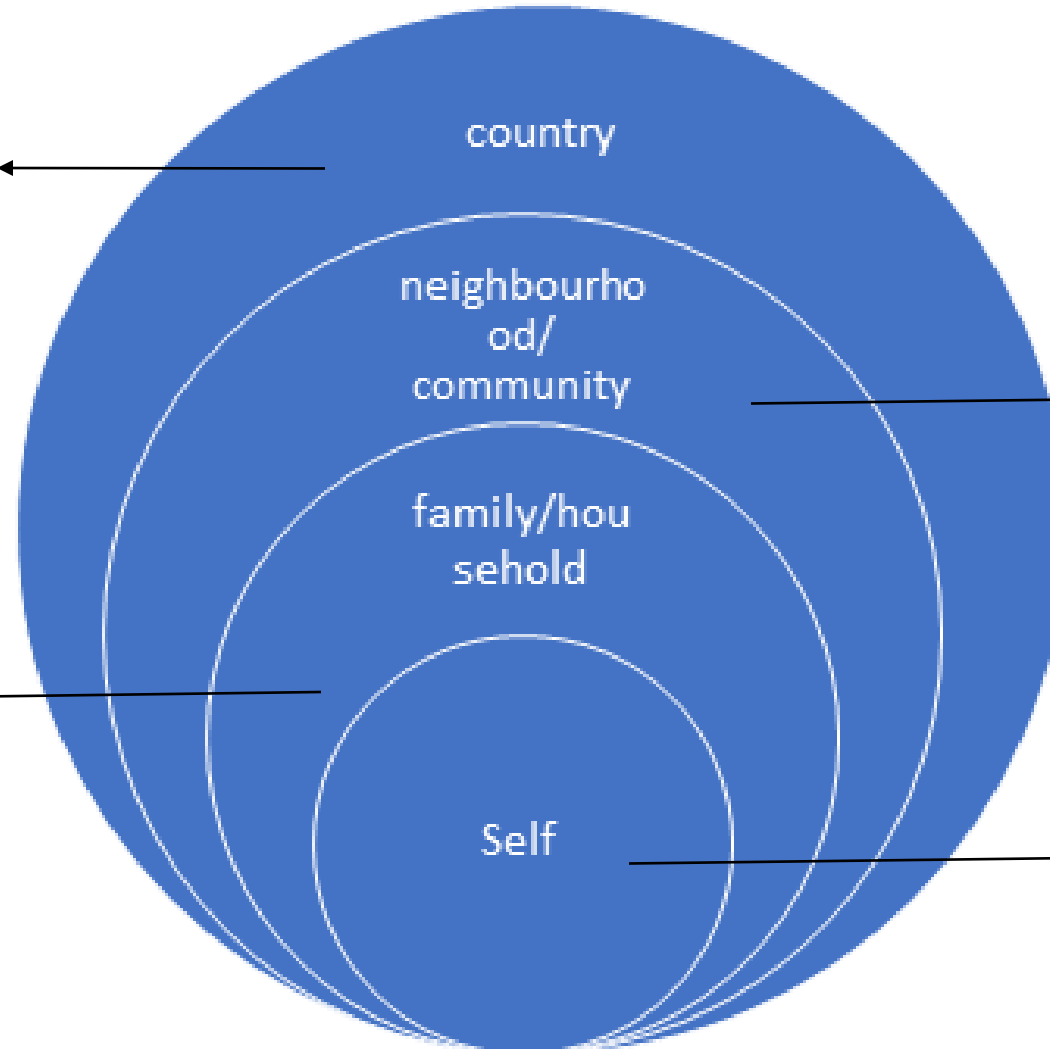

YPAT, NSS, NYKS, youth from CSO networks

COVID WARRIORS: Changemaking from Self to Community

- ✓ **Listening:** Pulse check on state of youth + mapping of needs & essential static resources.
- ✓ **Amplifying:** Promoting CAB and encouraging vaccine uptake through social media campaigns and creating content.
- ✓ Recruit more youth WARRIORS

- ✓ Safeguarding family through adopting necessary precautions
- ✓ Ensuring vaccine uptake for eligible members

U-Report COVID-19 WARRIOR flow

COVID ACADEMY FOR WARRIORS

Youth can provide accurate and evidence-based information on COVID-19, CAB, vaccine availability, efficacy and benefits of vaccination etc.

Youth can link info and service seekers to testing/health centers, pharmacies, helplines and local authorities.

Youth can effectively counter myths and misconceptions regarding the virus and vaccination

Youth can influence positive behaviours through community/public and digital media advocacy

Youth can provide first response, lay/peer counselling and link essential service seekers to the concerned departments/institutional authorities.(18+ yrs)

Youth are able to cope with psychological anxiety, distress and grief.

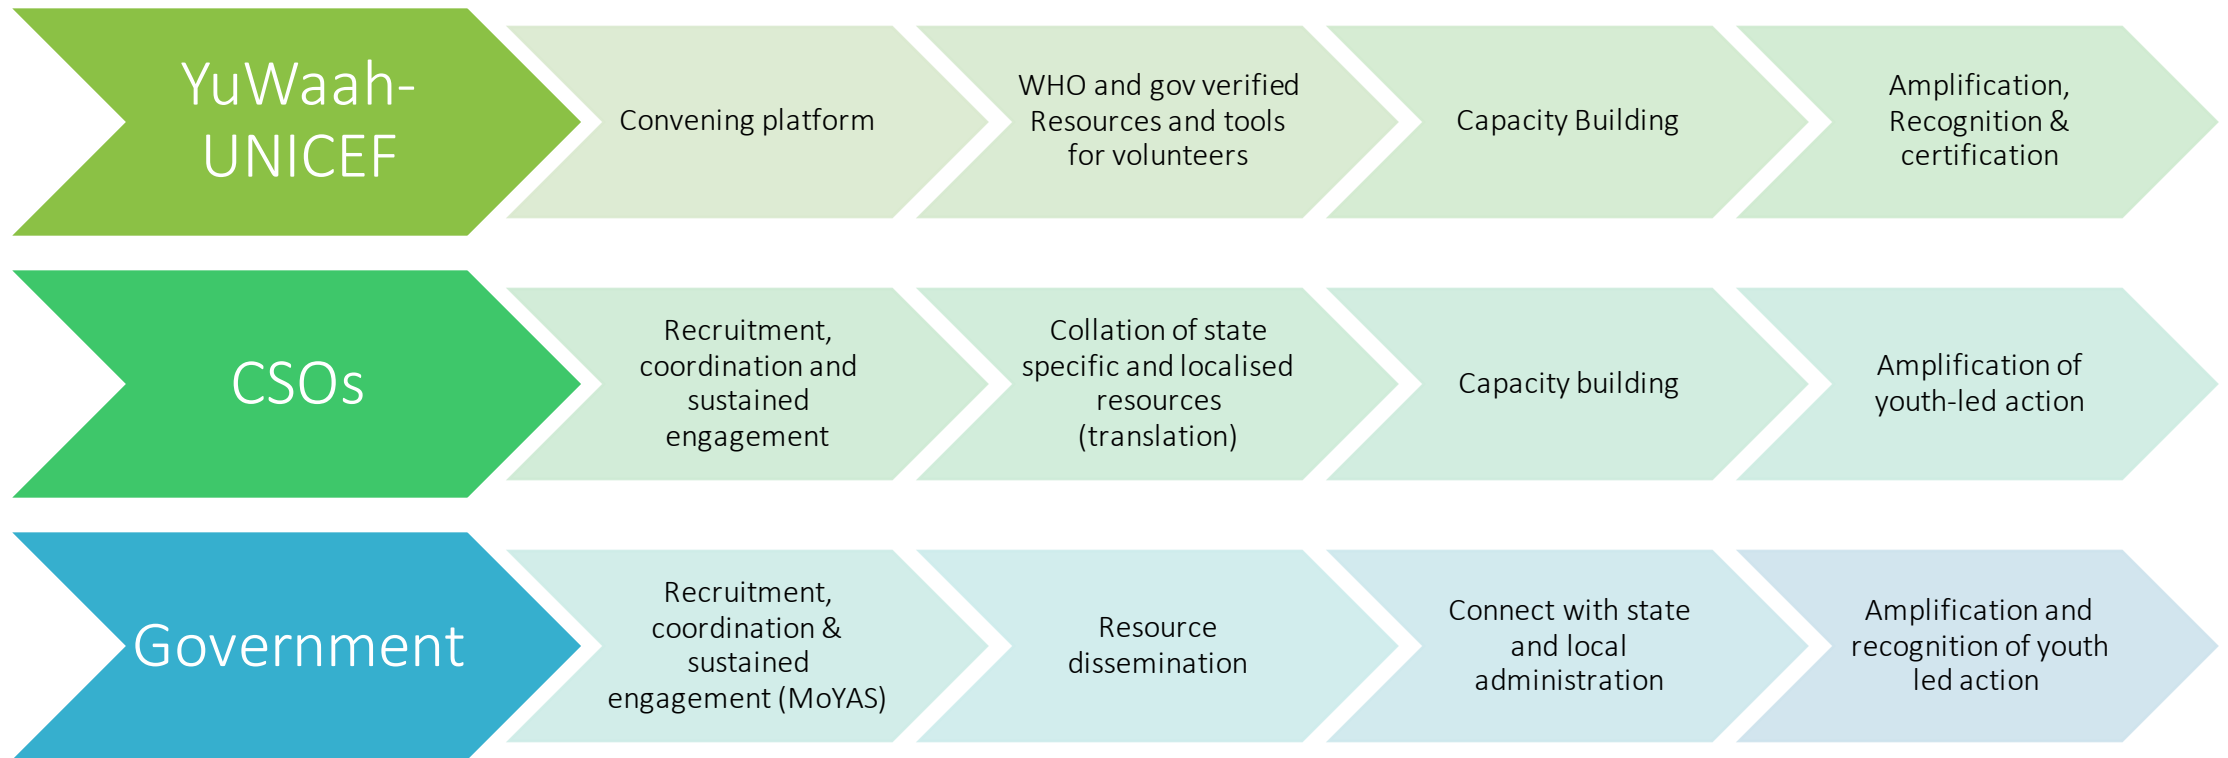

Track 2

1. Mental health helpline for youth with the support of CSOs, government and private sector

2. Peer counselling conducted by trained volunteers for youth who may feel more comfortable speaking to peers

3. Resource bank with links and helplines to mitigate increase in GBV, ECM, domestic violence, child abuse etc.

Roles of Supporting Stakeholders

Creating a community of crisis resilient youth

Biweekly ZOOM sessions led by YPAT members and experts

Attentive Listening

Understand the problems volunteers and young people are facing across the country and solve for them with the help of the steering committee.

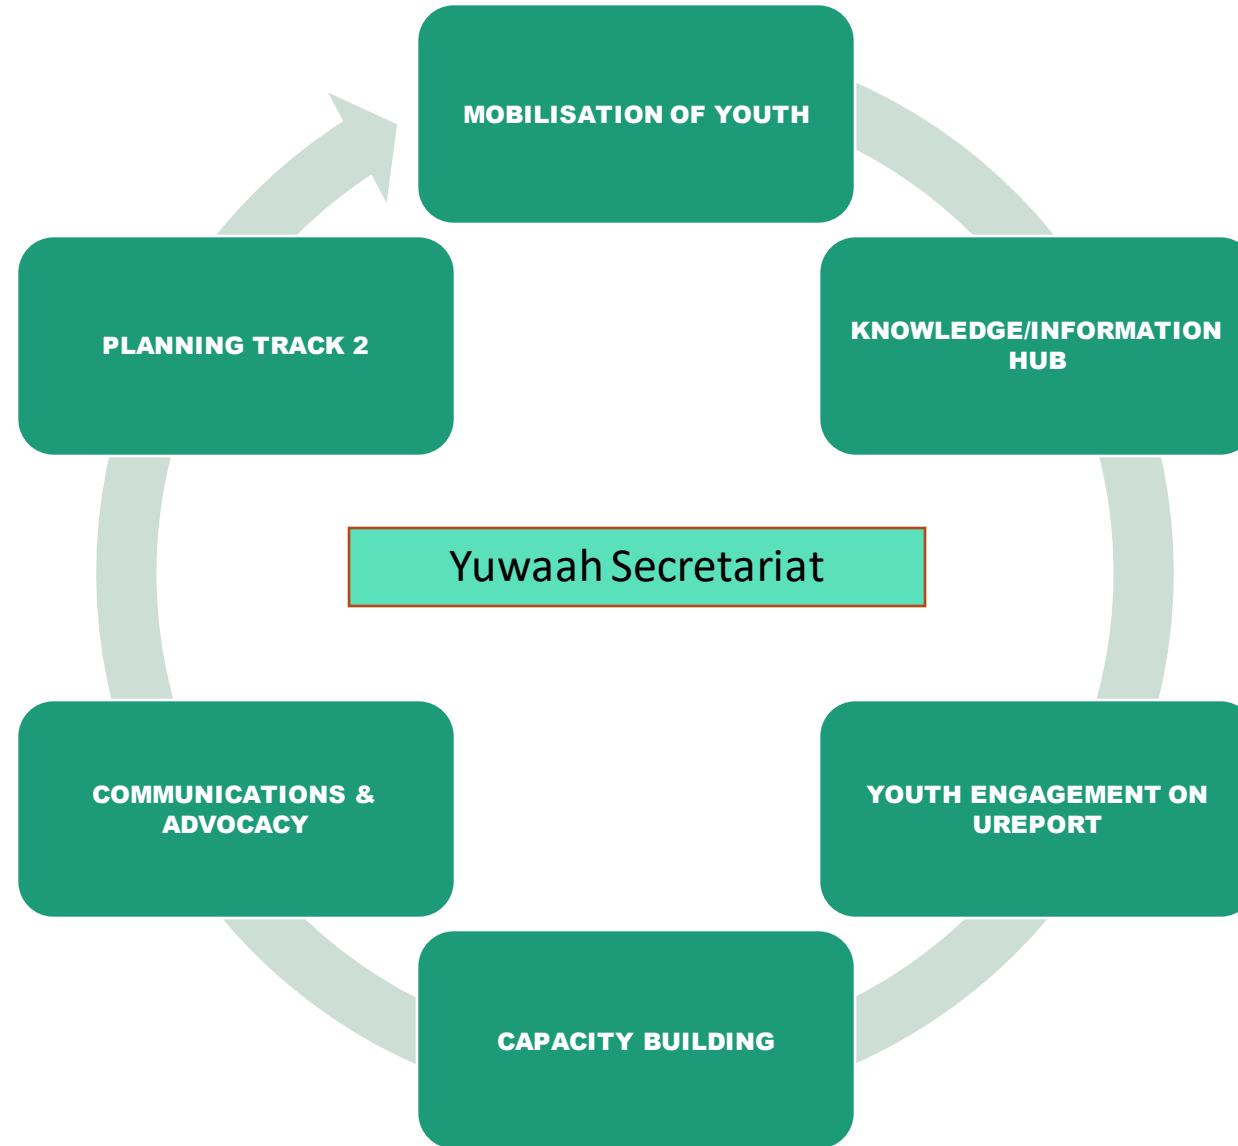

Problem Solving

Answer volunteers' questions and address their concerns with the help of experts from YuWaah's partner networks.

Coping and Healing

Facilitating mindful exercises and activities that enable collective coping, healing and grieving
